# PRESIDENT'S MESSAGE

## BARBARA CARIER

It was very exciting hearing last month about the upcoming work of the new Erie Co. Commission on Women. Our thanks to Marion Elmer and Phyllis Truran for arranging the Pot Luck Supper and program so we could learn about this long-sought group while enjoying each other's company.

I wrote last month about being invited to attend the Ontario Council of the Canadian Federation of University Women. I went to St. Catharines for two days of meetings and was thoroughly delighted with everything. I was made to feel like an honored guest, and the similar concerns I watched being discussed made me feel right at home. Some of the Ontario clubs are so close to us that it would be a simple matter for us to go back and forth. I'm sure that we will be having some shared programs. One thing I learned that may interest you is that the University Women's Club of Toronto has overnight accommodations available. I have information if you are interested.

Have you read through the names of our new members? If you see a familiar street or college or occupation, why not call her and say "Welcome!" Maybe she would like to go to a study group meeting with you. Have you followed up on the names you submitted as prospective members? Maybe they just need a little reminder or persuasion to take that final step and become a member. Of course, we're interested in the names of prospective members at any time, not just at the beginning of the year. So if you forgot someone in September, send the name to Lorena Hare now.

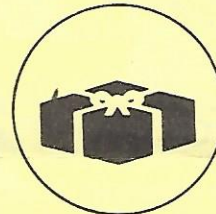

The Everywoman Opportunity Center recently sponsored a meeting between local women's organization leaders and Judith Avner, the New York State Director of the Division for Women. I attended and participated in the name of AAUW.
