PRESIDENT'S MESSAGE

BARBARA CARIER

Happy New Year! Isn't it amazing how quickly the new year is upon us? I hope your resolutions include becoming more active in Branch activities in 1988. So much is offered that you'll marvel at the variety.

I've been invited to participate in a Task Force called together by Channel 17-WNED-TV to study the Child Care situation in Western New York and to determine ways to sensitize the community to the need for quality child care. If any member has a special interest in this area and would be interested in serving on this task force also, please let me know.

This whole study ties in very closely with the new Association community action project called "Time to Care." During the next few months, we in Buffalo will be participating in the first steps of the project by surveying the effects of women's changing lives on unpaid activities traditionally associated with women, such as caregiving to family members and, through volunteer work, to the wider community. The results of this survey should be a launchpad for the design of projects to help employers, voluntary agencies, and governments to develop policies and programs that will be responsive to the realities of contemporary family life. At that point we will have to decide on tailoring a project to the needs and resources of our community and our Branch. If this sounds particularly interesting to you, plan to attend the February Board Meeting on Wednesday the 3rd.

By the way, starting with that February Board Meeting, the Board of Directors will be meeting in the Conference Room at Kenmore East High School, thanks to the sponsorship of Ann Bish. Members are always welcome to attend. The meetings are informative and the socializing is tops!

IN MEMORIAM

Marjorie J. Long, Teacher for 29 Years

Marjorie J. Long, 61, a teacher for 29 years and wife of Dr. John B. Long, former executive assistant to County Executive Edward A. Rath, died Saturday (Dec. 19, 1987) in Buffalo General Hospital after a long illness.

A native of Little Cedar, Iowa, she obtained her teacher's certificate from Iowa State Teachers College in 1944 and taught elementary school in Northwood and Davenport, Iowa, before moving to the Medina area with her husband.

After teaching in Medina, she worked temporarily at School 45 in Buffalo and later in the Kenmore-Tonawanda schools. She retired in 1985 after teaching at Benjamin Franklin Elementary School.

She was also past president of the Kenmore Business and Professional Women's Club, a trustee of the Kenmore Library System, and a member of the American Association of University Women and the Kenmore Garden Club.

Margie's cheerful presence and sweet disposition will be sorely missed by the members of the Evening Literature Group. Her sense of humor and joy of life are part of her loving memory that we cherish. We extend sincere sympathy to the members of our dear friend's family.

" S A F A R I " P L A N N E D

At our Dec. mtg., the Photography group studied and shared portraits that we took of each other at the Nov. mtg.. We decided that this was such a rewarding and fun exercise that we are including more "hands on" activities in our program. We have planned a group "safari" to the Bflo. Zoo on Sat., Jan. 16. We're looking forward to "shooting" the animals in a winter time

setting. Anyone interested is welcome to join us, we'll meet just inside the entrance gate at 1p.m.. An evening mtg. is not scheduled in Jan., however, our Feb. 1 mtg. will be held at Elaine Kohn's home (check study group listing for info.). We will be sharing our "safari" photos and also have a speaker discuss matting and framing, the beautiful finishing touch for that perfect snapshot.
