PRESIDENT'S MESSAGE

BARBARA CARIER

The storm on Feb. 6th forced the cancellation of our General Meeting on Leisure and Work Activities, and Human Development in the Later Years. Those of us who were planning to attend this luncheon meeting to get some good ideas about preparing for our futures were very disappointed. The meeting will be rescheduled, however, when the necessary arrangements can be made. Our thanks go to our two speakers, Helen Kowalski and Gloria Beutner, for their forbearance.

Thanks also to Sandy DeFalco for agreeing to chair the May Luncheon in place of Sue Stievater, who is recovering from back problems. Incidentally, we're calling it the "June May Luncheon" since it will be held June 4th at TVCC.

A number of community groups are sponsoring a Conference on Volunteerism at Niagara Community College on May 24-25. Many fine workshops are planned. You will be receiving a separate mailing about it.

Word has just arrived that Mary Grefe will be a featured speaker at the NYSD Convention in Albany in April. She is a past Association president, is currently President of the Educational Foundation, and has been in Buffalo to speak to us. Mary is one of the most dynamic and entertaining speakers you could ever hear. Please think seriously about attending what is always an exciting weekend.

March is Women's History Month, and March 6-12 is AAUW Week. Although we have no formal plans to commemorate these events, you will undoubtedly see references to them in your publications. They are indeed noteworthy events.

New York State Division has been selected as a training site for the VolT (Volunteer Leadership Training) PROJECT. Sixteen interested members will be selected to receive leadership training. See me if you are interested in this.

SYMPATHY

Our condolences to the family and friends of Eleanor A. Henrich who died suddenly Dec.18, 1987. She was honored as the "Outstanding Volunteer of the Year" in 1985, was the founder of the local affiliate of the Literacy Volunteers organization, and was active in many groups. Her passing is noted with sadness by her many friends in the Buffalo Branch of AAUW.

Thank You!

THE LILLIAN FAIRCHILD LECTURE A SUCCESS

Thank you to all of the members of the AAUW, Buffalo Branch, who came forward and made our service at the Buffalo Museum of Science so successful.

On Wednesday, January 20, 1988, a lovely day weather-wise, fourteen members came to help serve at the monthly Lillian Fairchild Lecture at the Buffalo Museum of Science. The lectures are this year in their 60th year of service to Buffalo and for most of those years, University Women have taken over the sponsorship of one of the lectures.

Helga Castren and Mollie Fleyscher graced the beautiful tea table that the Museum arranges for this affair and they poured tea with their usual expertise. Members, even some who could not be there that day, helped to supply a lovely array of cookies. Everyone enjoyed the afternoon and most of us look forward to the continuance of AAUW as a sponsor for this very lovely community affair.

From me, a big "Thank you" to the Board for approving this venture and to everyone who helped me make it a success.

1988 EFP BOOK SALE

Sorting/Pricing: February 29-April 1
YWCA
190 Franklin Street

Moving Days: April 4-5

Sale Week: April 6-9

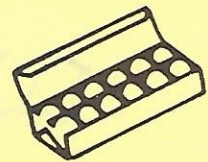

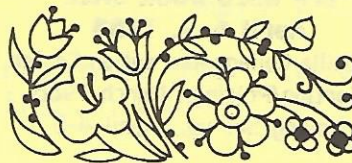

For the past several years, profits from our book sale have been steadily dropping. The problem is a complex one with expenses rising while fewer books have been donated and we have attracted fewer buyers. This year we are implementing several measures which should reduce our expenses substantially. We hope that changing the location to Medaille College along with the implementation of other cost-saving ideas will reduce our expenses by at least \$5000.

In addition to reducing expenses, we need to collect more books and attract more customers. If you have ideas for reducing expenses, collecting more books or attracting more customers, please call Pat Seaver or any of the committee chairs (phone numbers are listed in February newsletter).

You can help us reduce costs further if you know anyone who would work at a reduced rate as a security guard during sale week or if you know anyone who would truck books from depots to the YWCA at a reduced rate.
