# PRESIDENT'S MESSAGE

**BARBARA CARIER**

The Membership Reception at the Burchfield Art Center was such a lovely affair, and we have our Membership Vice President Lorena Hare to thank for so much planning and preparing. Her committee chairs, Sylvia Miller and Vivian Smudski, should be very satisfied with the results of all their work. Our thanks to all of them! I saw several new members actually pay their dues that day, so I know that we will be seeing new faces as a result of the Reception. Did you know that Lorena has set a goal of getting 100 new members this year? Are you helping her? Have you followed up on the names you submitted to her to receive invitations? We really must think of ourselves as Assistant Membership Chairs!

The NYSD Nominating Committee is looking for candidates for President and Program Vice President, and for names to suggest to the new President for several appointed offices. If anyone is interested in serving on the Division level, Pat Seaver, Stacey Johnson, or I could offer some advice. The three of us are currently on the Division Board.

I have been invited to attend a meeting in St. Catharines of the Ontario Council of the Canadian Federation of University Women. This is the result of several conversations at the Houston Convention with Linda Souter, President of the CFUW. There are several CFUW clubs in the area: Niagara Falls, Welland, and of course, St. Catharines. The Program Committee is planning to focus on American-Canadian relations for our March 1988 meeting, and this visit could help to lay some groundwork for that and other reciprocal visits.

The Coalition for Equal Rights has produced an extremely useful summary of candidates' positions. Watch for mention of it in local newspapers.

# Named at Canisius

LILLIAN M. LEVEY, vice president for student affairs at Canisius College, has been named vice president/assistant to the president beginning Jan. 1. Mrs. Levey will supervise facilities planning and the college's marketing efforts. She is the first woman in the college's history to become vice president.

## NOTE OF APPRECIATION

The bulletin does not allow enough space to thank all the persons individually who made the Membership Reception at the Burchfield Art Center such a success. As usual, our membership arose to the occasion by contributing food, time and effort. About forty prospective members attended and many others unable to attend requested AAUW material. Approximately 115 of the members attended.

A special thanks is given to Sylvia Miller and Vivian Smudski for their untiring efforts, as well as to Mary Weppner and Ellen Quinn for taking reservations.

Sarah Sterrett is responsible for all the very beautifully written name tags.

Lorena Hare,  
Membership

THE WINNER IS....

Dr. Ruth T. Auer of Springville was the lucky person whose name was pulled from the box at the Membership Reception on Sunday, Sept. 27. Ruth, who will enjoy a full year of membership at the Burchfield Art Gallery, tells us that she studied water color under Dr. Burchfield. We are happy that a long-time member was our winner.

## EMMA

Anne Montes  
and

Doris Santercole  
owners and operators of  
"Emma Buffalo Women's Book  
Store" 168 Elmwood Avenue,  
have agreed to allow AAUW  
to use a store window to  
display AAUW materials.

The display is in place. When you are in the area, please read the interesting posters made by Ruthe Sickerman detailing some of our history.

It would be nice if you would also browse in the bookstore.

Anne is a member of AAUW, a past board member, and was co-chair for the booksale.

BUFFALO LILIAN  
MUSEUM FAIRCHILD  
OF TRAVEL  
SCIENCE TALKS

by

Marion Elmer

The Lilian Fairchild Travel Talks are familiar to many of us. This year they will be sixty years old and for most of those sixty years, the American Association of University Women, Buffalo Branch, has taken part in them.

A few years ago, our participation was halted. Now I would like to pick it up again because I feel that this is a vital community service and one in which we should be represented.

The Talk will take place at the Buffalo Museum of Science at Humboldt Parkway. The date that has been given to us is Wednesday, January 20, 1988 at 2 p.m. The program is "Rafting the Firth River in the Yukon" by George Mansius. A tea follows the Talk. The affair takes less than three hours and is a rewarding experience.

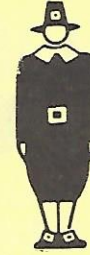

The museum's needs are simple. They ask that we provide at least ten women who will come that day and help serve the tea to the more than 200 people who usually attend the Talk. Each of the ten women is asked to bring about 3 dozen cookies. The museum provides everything else.

I am happy to tell you that at our Membership Tea in September, I had more than 30 volunteers. Naturally some of these will have a change of plans before January, but it was heartening to see the response.

May I ask that if you are interested, please get in touch with me and hold the date open. I need only ten, but I could take every single member of Buffalo Branch. The museum would be delighted to have us all. Please help.
