## PRESIDENT'S CORNER

Dear Members:

I assume you have received your copies of the Spring "Outlook" and "Focus" which included information on the State's convention at Saratoga this May and the Association's convention in Anaheim, California in June. Several of us will be attending the May convention and at least two of us are planning to attend the Association convention. If you are interested in attending either of these and need more information please call Barbara Carier.

Your board has voted to pledge 200 volunteer hours for the NAWOB project "A Woman's Place." This sounds like a great opportunity to help someone in the community obtain a home and learn some practical skills at the same time. Construction is scheduled to begin this summer and women will be doing 90% of the work. So when the opportunity comes, please sign up, encourage your family and friends to sign up as well.

Our joint project with Womenfocus has been postponed for this year due to a lack of funds. An application was submitted this spring to EF and we have hopes that funding will be available for next year.

Meanwhile, be sure to sign up for the Decorator Showcase House. We expect to work the weekend of April 26th. This project, sponsored by the Junior League, provides funding for worthwhile community projects. And don't forget our own Used Booksale scheduled for June. It looks like this will be the year we complete the \$100,000 pledge for an EF Fellowship.

## The Night at the Theatre

On March 7th, a group of 17 attended the Kavinoky Theatre at D'Youville College to see Agatha Christie's "Witness for the Prosecution". The fantastically effective London courtroom suspense drama about a man accused of killing an older woman for her money has a brilliant ending as the web of deceit untangles. The local actors did a good job, as usual, and we are all very fortunate to have good theater at a reasonable price here in Buffalo. Some of us met at Roseland's for dinner before the play for good food and conversation. Comments about the evening were enthusiastic so you can be sure we will do a theater evening again. Saving the best for last - we raised \$68.00 for the branch.

The March Board Meeting of AAUW Buffalo Branch was called to order at 7:05 P.M. at the Snyder-Eggertsville Library on March 5, 1997 by President Karen Noonan.

The February minutes were accepted as corrected.

The following reports were made;

**Nominating Committee:** Margit Spector reports that the committee has to finalize a few positions. The slate will be published in the May Newsletter.

**Financial Report:** Bunny Blackstone gave a verbal financial report. A printed statement will be presented at the next meeting.

**Fund Raiser:** Bunny Blackstone circulated the pens and reported that the umbrellas will be in soon. Both will be sold as fund raisers to our members, at our programs, and will be presented for sale at the State Convention.

**Education Foundation:** Ann Hicks

presented the Education Foundation report. A motion was made to approve the recommendation to contribute \$8500.00 to the Buffalo Branch Centennial American Fellowship Fund for 1996. A motion was made to accept the suggestions for the Named Gift recipients for 1996-1997 as long as they include Shamus O'Connor, Chuck Jamieson, and Molly Fleyscher. The motions passed unanimously. Hicks also circulated the AAUW Education Foundation Update. Hicks also stated that she had placed an ad in the State Convention Program. Some suggestions were made concerning Named Gift Recipients: we hold them to a few names making it more important, and we name a table at the Book Sale in a persons honor.

**Strategic Planning:** Diane Silvestro circulated names of members who have signed up for individual committees and lists of suggestions for those committees to consider. Silvestro has asked that these committees meet within the next three weeks. Silvestro asked the Board to approve the purchase of 2 tickets at \$25.00 each for the 3rd Annual Women's History Month Luncheon, sponsor by WAC and the Erie County Commission on the Status of Women, to be held on March 21, 1997. The purchase of two tickets will allow us to have a table to use for informational purposes. The motion was made and approved.

**New Business:** Bunny Blackstone informed the Board on the progress of "Take Your Daughter to Work". It will probably take place in late spring or early fall.

Ann Bish spoke about the progress of

*(Continued on page 4)*

*(Feb. Board Minutes Continued from page 3)*

Habitat for Humanity House. At their next meeting, they would like a pledge of work hours from our organization. A motion was made to contribute 200 work hours.

New York State Convention: Barbara Carier has been coordinating the members who will be attending the State Convention in Saratoga Springs May 2-4, 1997. Ann Hicks will prepare a poster from our Branch and Chris O'Connor will coordinate a basket to be raffled off at the Convention for the benefit of LAF.

Phyllis Kelly circulated a sign-up sheet for the Decorator Showcase House for April 26 and 27.

Judy Weidemann explained her project on Equity for Young Children and stated that a program will be presented on March 22 on gender-free pre-school programs.

The meeting adjourned at 8:50 PM.

Christine O'Connor

## AAUW Educational Foundation (EF)

### Our Philanthropic Commitment

EF is the philanthropic arm of AAUW which supports AAUW's continued efforts in advancing education and equity for women and girls. As we know EF does this by providing funds for groundbreaking research, community action projects and pioneering scholarship by outstanding

women. This money comes primarily from the long-term grassroots, fund-raising efforts of AAUW branches across the country. The enduring commitment of AAUW members to contribute to this 115 year-old program is remarkable. As a result EF has helped more than 6,500 women reach their personal and professional goals through a variety of fellowships and grants.

In 1996-97 the AAUW Educational Foundation awarded more than \$2.6 million in fellowships and grants to 308 women. This number represents only 9.8 per cent of the applicants. The number and quality of the applicants increases annually, particularly as costs for higher education mount and government funding dwindles.

### Buffalo Branch

In 1972-73 Buffalo Branch made a commitment to establish a Research & Projects Endowment (\$35,000.00). It was later completed. In 1982-83 the Buffalo Branch Centennial American Fellowship Fund was created. As a branch we anticipate completing our pledge of \$100,000.00 with proceeds from this year's used book sale. With the approved contribution of \$8,500.00 from the 1996 book sale, the amount in the fellowship fund is now approximately \$95,000.00.

Action grant recipients for 1997-98. Working with nine other AAUW members from across the country, several of whom had been earlier recipients of EF career development grants or fellowships, was an unexpected opportunity and rewarding experience.

The process of selection actually began prior to the meeting in Washington, DC. Each panelist received a carton of 150 career development applications and a notebook of 17 community action applications. Along with the applications we received the criteria to be considered in the selection process and packets of reviewer evaluation forms. We were each assigned to read 75 career applications and rank order our top 17. Two weeks later we communicated by e-mail or telephone with our partner and shared our top ranked 17 applicants. We then read the applications selected by our partner, compared those to the applicants we had on our lists, and compiled an integrated rank order listing to review in Washington. Once in Washington, we reviewed, eliminated and finalized our preferred list of 12-15 applicants to present to the full panel. The community action grant recipients were reviewed and selected in the same fashion.

A frustration for reviewers and staff was not being able to

fund more of the outstanding and highly qualified candidates. Of 724 eligible applications (up significantly from previous years), we were able to select only 70 candidates and 3 alternates to be recommended to the EF Board for approval next month.

It was wonderfully inspiring to read and hear the stories of so many highly motivated and focused career applicants. The scope and significance of their accomplishments, contributions and future goals are awesome.

I was gratified to be invited to be a guest panelist (reviewer). Having this opportunity deepened my regard for membership and involvement in AAUW. As members we can be proud of the work of our branch in supporting the AAUW Educational Foundation which has such a grand tradition of providing "funds to advance education, research, and self development for women and to foster equity and positive societal change."

## Cultural Events

Spring is finally here, with so much to do now that the weather is improving.

Perhaps you will want to "take tea" at the Theodore Roosevelt Inaugural National Historic Site. It will be available on April 16 and 18, or in the form of a Mother-Daughter Tea on April 11 and 19. Continuing with the theme of Buffalo's history, an exhibit featuring "Buffalo's Grain Elevators" opens at the Burchfield-Penney Art Center on April 19. The BPO Classics Series continues in April with concerts on the 5th and 6th entitled "Music of Love and the Sea", featuring Debussy's "La Me." The Pops series on April 18 and 19 stars John Tesh. Guitarists, The Assad Brothers, will be presented by QRS on April 6. Les Violons de Roy appear on the Buffalo Chamber Music Series on April 9. The last concert in the Amherst Symphony Orchestra series, on April 27, will feature Stephen Manes, piano, and Steven Thomas, guest conductor.

The extremely popular dance group, Stomp, will appear at Shea's Buffalo from April 8-13. Artpark at the Church returns with, in April, the musical, "The Taffetas." "The Complete Works of William Shakespeare Abridged" by the Reduced Shakespeare Company, closes the season at the Kavinoky Theatre. For information on other events, consult *Gusto* and *Artvoice*.

We wish to express our sympathy to Lois Dabney on the death of her husband, Dr. Oliver Dabney.

# Be Part of the Women-Built House

Have you ever thought that 'we girls can do anything?' Now's the time for us to show others that we can even build a house!

NAWBO (National Association of Women Business Owners) has teamed up with Habitat for Humanity to build a women-built house in Buffalo. And AAUW Buffalo Branch has offered to support this worthy project. We are asking our members to get involved in the actual construction of this house, the 50th Habitat for Humanity/Buffalo house. In fact, the Board felt so confident that there would be sufficient interest in helping a family (in this case, a single mother and her two children ) move into decent, safe housing that the Board committed our membership to volunteering 200 hours.

What does it mean to volunteer to work on this house? It means that no construction experience is required but that once the building starts, volunteers ( 15 max) will be working a five-hour day or until the materials for that day are used up. There is no way to know in advance what type of work you'll be doing. Although you may volunteer to work only one day, one day is a generous contribution of your time.

How can we volunteer time? As you may have read in Pat Swift's March 8th column, "Womanscope," four thousand volunteer hours are needed, and to date one thousand hours have been pledged. If you are interested in volunteering, contact Ann Bish or Ann Hicks at 741-3964 to request a form.

Can we make money donations? Definitely. Again, call 741-3964 and we'll give you the needed information to make your donation. NAWBO has raised \$32,000 but \$42,000 is needed to build the three-bedroom home. (Donations totaling \$370 with our 200 volunteer hours will secure AAUW Buffalo Branch's name on NAWBO's published donor list.)

When is the ground breaking for this women-built house at 589 Sycamore Street? Very likely construction will begin in May and the family will be in their new home by Christmas.

We are extremely enthusiastic about this venture with NAWBO as we believe that by getting involved Buffalo Branch is contributing its support, not only to a project of another women's organization, but also to the Buffalo community. Anyway, "we girls can do anything." Right?

# BACK TO THE PAST

by Ruthe Sicherman

## We had a parade!

In 1981 we began warehousing books at the YWCA on Franklin St., just a hop, skip and a jump from the Convention Center, where the sale was to be held in April, '82. I had visualized a small parade from the Y to the Center, but after talking to Connie McGillicuddy, who had led many St. Patrick's Day parades, his helpful suggestions made it grow.

I had asked the marchers to dress in old-fashioned clothes and to bring every kind of "wheels," from the VW van to wagons and baby buggies, to move the books.

Through the magic of Connie's name, I was able to get Mayor James Griffin to lead the parade. He was flanked by four mounted police and followed by the Buffalo Traditional School marching band. The mayor proclaimed the week of the sale "AAUW Book Sale Week."

This was April, but the evening before the parade it began to snow. After all, this IS Buffalo.

The next morning I frantically called the streets department and asked to have Franklin Street cleared from the YW to the Convention Center. "You have to let us know two weeks ahead of time," the woman informed me. Impossible! However, when I explained that the mayor would be

leading the parade, she relented and got the job done.

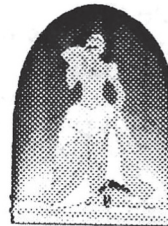

The Buffalo News photographer didn't get a picture of either the mayor or the band, as both were late arriving. Instead, he got a good picture of Suzanne Grossman and missed all the hoopla!

# *Cinderella*

## (The Real Story)

Is Cinderella a beautiful passive girl waiting for her fairy godmother to make a real life possible or is the Real Cinderella a proactive woman who makes her own choices, has no fairy godmother, is smarter than the Prince, and creates her own transformation.?

Joan Goldberg, storyteller, artist, and teacher, will tell us the Real Cinderella story - a story that has been told for centuries in every culture from Algonquin to African, from East to West.
